### Invitation Message

It is my great pleasure and honor to invite you to the 2021 International Conference of Kyungpook National University’s Research Institute of Nursing Science on October 28, 2021. While the COVID-19 pandemic has brought unprecedented challenges to healthcare systems around the world, nurses have stepped up to shape and guide patient care. The nursing faculty and I believe that this is an opportune time to come together and reflect on the visibility and influence of nurses as leaders who have the power to strengthen healthcare systems and influence healthcare policies. We hope that you will take advantage of this opportunity to share your ideas and thoughts about effective nursing leadership with eminent speakers from around the world in a multidisciplinary approach. We look forward to meeting you at the conference!
